

ENERGY INNOVATION CHALLENGE 2016

Design the Next Sustainable Solution for 21st Century Energy Problems!

The Institution of Engineers, Singapore (IES) will host the **National Engineers Day (NED)** on 23 & 24 July 2016 at the HDB Hub Atrium in Singapore

One of the highlights of NED 2016 is the "International Energy Innovation Challenge" which provides an opportunity for university students to design or invent a product using alternate energy with focus on climate change and environmental sustainability. IES invites you to be a part of this exciting journey with your active participation.

STAND TO WIN

- 1st Prize: **S\$8,000 + Trophy**
- 2nd Prize: **S\$5,000 + Trophy**
- 3rd Prize: **S\$3,000 + Trophy**
- Up to 5 Commendation Prizes: **S\$1,000** each

REGISTRATION

Register by 22 April 2016

Contact Yue Kok Sun for registration or any enquiry, email: koksun@iesnet.org.sg or call **+65 6461 1260**

Registration is **Free**.

HOW TO PARTICIPATE

The Challenge is to design or invent a product to demonstrate the use of alternative sources of energy with focus on climate change and environmental sustainability.

- ✓ Form a team of maximum 5 members
- ✓ Submit a proposal of not more than 800 words on background, project description and prototype proposal by 22 April 2016
- ✓ Shortlisted teams will be informed by 6 May 2016 and will receive S\$500 to develop their prototypes
- ✓ Detailed proposal to be submitted to the organiser by 4 July 2016. Teams are to bring along their prototypes on the day of the competition to present to the judges
- ✓ Judging Criteria:
 - Creativity
 - Technical Feasibility
 - Quality of Deliverables
 - Relevance
 - Cost Effectiveness
